

PAREEKSHITH N ACHAR

Bits Pilani KK Birla Goa Campus, India · achar.pareekshith@gmail.com · 8660128910 ·
<https://github.com/pareekshithachar>

WORK EXPERIENCE

ScoVelo Consulting

Summer Intern

Remote

May 2021 - July 2021

- Developed a web scrapper that helped the company expand their customer base by automating fetching contact details of potential customs
- Developed a script that would find the ideal keyword densities and header names that would help in Search Engine Optimization.

PROJECTS

Image Classifier - Fire Vs Not Fire Python, Tensor Flow, Keras

<https://github.com/pareekshithachar/Fire-detection>

An Image Classifier that predicts whether an image shows fire in it or not.

Ecommerce website React JS, Firebase

<https://github.com/pareekshithachar/Ecommerce>

A clean and simple E-commerce website with google authentication, working cart implemented using React JS and Firebase.

Note Taking Website Java Script, Bootstrap

<https://github.com/pareekshithachar/note-e>

Created a website where you can add notes, remove notes, bookmark and edit notes.

EDUCATION

Bits Pilani KK Birla Goa Campus

BE Electronics And Instrumentation GPA: 8.18

Sancoale, Goa

August 2019 - Present

Lourdes Central School

Pre University PCMB GPA: 95%

Mangalore, Karnataka

June 2017 - June 2019

Canara High School C.B.S.E

High School GPA: 10

Mangalore, Karnataka

June 2016 - June 2017

SUBJECTS

Neural Networks and Fuzzy Logic

Data Structures and Algorithms

C Programming

Control Systems

Signals and Systems

SKILLS

Programming languages: C, C++, Python, Java Script

Development: React JS, Tensorflow
